HYMS 2nd National Undergraduate Surgical Conference 2014

29th March 2014 (Saturday), Hull York Medical School, York

The 2nd HYMS National Undergraduate Surgical Conference was held on the above date. Guest speakers included Professor Harold Ellis, Professor Christopher McGregor and Mr George Spink.

Delegates were given the opportunity to participate in three different workshops throughout the day; there was a huge variety to choose from (21 different options!). The first workshop “Getting into your surgical speciality” included a short talk followed by questions and answers from an area of surgery that the student was interested in pursuing. The other two workshops comprised of practical skills and academic sessions. A few examples of this are: neurosurgery, paediatrics, portfolio skills, gastrointestinal surgery and radiology.

The conference was successful and received a very good feedback from the delegates. A summary of the collated feedback can be found in the subsequent pages. We wish to thank all students, faculty and sponsors for making this conference a great success.

Feedback

Really good event.

Mr Rasan Burhan
The Hull York Medical School

Event was very well organized and presented, great overviews.

Mr Sam Broadley
Newcastle University

Overall, the conference was excellent. The final talk however was all doom and gloom without any solutions and seemed extremely anti-NHS!

Mr Dalvir S. Bajwa
Newcastle University

Was a great event.

Ms Fatmah Ali Alabdouli
The Royal College of Surgeons of Ireland, Medical University of Bahrain

Thoroughly excellent, really good day.

Mr Joseph Harley

Feedback

This was a well executed and professional event. The speakers were inspiring & the atmosphere friendly.

Mr Thomas Flamini
The Hull York Medical School

Very well organised. Interesting speakers who were willing to help.

Ms Katie Houldershaw
The Hull York Medical School

Very well organised event which I found both enjoyable & informative.

Mr Alexander Kisanga
The Hull York Medical School

I attended the 1st conference around this time last year as a third year with a group of friends, after finding out about it on Facebook. I've since attended a few conferences at HYMS and generally find them excellent - extremely well run, with a wealth of inspirational speakers. It's clear that a lot of effort goes into the planning and organisation, and it really pays off. Came back this year, but brought another group of friends this time. I'll continue to keep an eye out for other conferences here.

Mr Michael Price
Newcastle University

The best conference I have been to so far.

Mr William Malins
Newcastle University

I really enjoyed the event and it has given me a lot to think about and made me consider surgery more as an option for the future.

Ms Emma Rushforth
The Hull York Medical School

A very interesting and useful event. I am glad I attended.

Mr Edward Jones
The Hull York Medical School

Feedback

I thought the event as a whole was very professionally and impressively organised. The workshops and talks both provided an excellent insight into surgery and it was a very informative and interesting day.

Mr Christopher Hatton
The Hull York Medical School

Great day, inspirational speakers. Attending will definitely have an impact on my career choices.

Mr Nicholas Keddell
St. George's University London

I found the event engaging and informative. The speakers were of top quality and the same can be said for the workshops.

Mr Ivaylo Zahariev
University of East Anglia

Really enjoyed the day, was not too long, the workshops were great, the lecturers were engaging and brilliant. The number of breaks were good and meant it was always quite laid back and fun.

Mr Saif Mahmood
University of Bradford

Wonderful organization. Good day!

Ms Laura MacGregor
The Hull York Medical School

Informative and nice to listen to a different perspective.

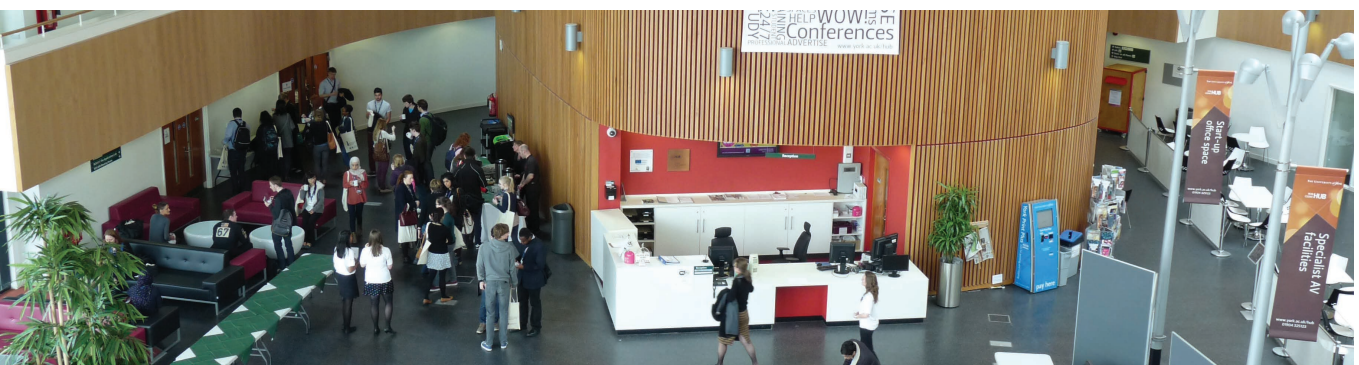

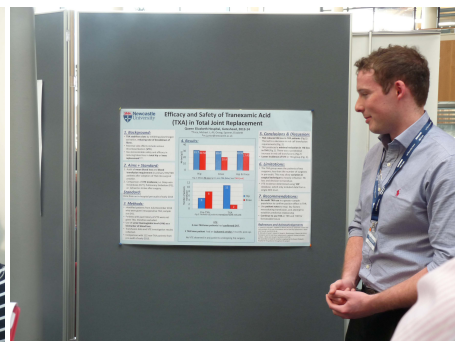

Mr Saumil Shah
