

DOCTORS ACADEMY SURGICAL ANATOMY EVENTS:

- I) CLINICAL ANATOMY AND OPERATIVE PROCEDURES AS APPLIED
TO THE THORAX AND ABDOMEN
II) CLINICAL ANATOMY AND OPERATIVE PROCEDURES
AS APPLIED TO HEAD, NECK AND LIMBS

13th February 2016 (Saturday)

West Wing, John Radcliffe Hospital, Oxford University Hospital, Oxford

Dated: 30th January 2016

THIS MAIL CONTAINS IMPORTANT INFORMATION. PLEASE READ IN ITS ENTIRITY.

Dear Colleague,

Thank you for registering to attend this event.

Kindly note that your registration is valid only for the event you registered. Please check the confirmation mail you have received from us.

Morning: Clinical Anatomy and Operative Procedures As Applied To Thorax and Abdomen

Afternoon: Clinical Anatomy and Operative Procedures as Applied to Head, Neck and Limbs

Date: 13th February 2016 (Saturday)

Venue: West Wing, John Radcliffe Hospital, Oxford University Hospital, Oxford

Where to report:

Please enter the West Wing from the front entrance opposite next to car park 3. You will enter on Lower Ground Floor 2 (LG2). Please make your way up Level 2 using the lifts. As you exit the lift, please follow signs for the "Doctors Academy Surgical Anatomy Weekend".

If entering from the main entrance of the John Radcliffe Hospital, walk straight on past Marks and Spencers and WHSmith, and the main reception on your right, and follow the corridor leading to the West Wing. Once at the end of the corridor, please follow signs for the "Doctors Academy Surgical Anatomy Weekend".

Address, directions and parking

Address:

West Wing Seminar Room, West Wing
John Radcliffe Hospital
Headley Way
OX3 9DU

Directions:

- For directions to reach John Radcliffe Hospital, please click on the link below:
<http://www.ouh.nhs.uk/hospitals/jr/find-us/>
- To reach the course venue: Please click on the link for a map of the John Radcliffe and look for the West Wing:
<http://www.ouh.nhs.uk/hospitals/jr/documents/jr-hospital-sitemap.pdf>
- To view in Google maps:
<https://www.google.co.uk/maps/place/John+Radcliffe+Hospital/@51.7637365,-1.2201744,17z/data=!3m1!4b1!4m2!3m1!1s0x4876c3dfab89c7a3:0x8430b093e3a99f33>

Sat Nav Post code: **OX3 9DU**

Parking:

'Pay and display' car parks are available in the hospital premises. Car Park 3 is the car park for the West Wing. Unfortunately, there is no free parking available on the streets nearby as all areas are under council parking restrictions. The Thornhill Park & Ride service would provide a suitable alternative for all day parking with the number '400' bus connecting Thornhill Park & Ride to Headington Shops, from where the hospital site is a 15 minute walk.

Start times:

Morning (0900 - 1300): Clinical Anatomy and Operative Procedures As Applied To Thorax and Abdomen.

Afternoon (1345 – 1745): Clinical Anatomy and Operative Procedures as Applied to Head, Neck and Limbs.

Programme:

Clinical Anatomy and Operative Procedures As Applied To Thorax and Abdomen:

Clinical Anatomy and Operative Procedures as Applied to Head, Neck and Limbs:
<http://doctorsacademy.org/Course/ClinicalAnatomyHNL/downloads/PGM16.pdf>

How the sessions will be structured:

The workshops will use artwork in identifying important surface anatomy landmarks, the structures that lie beneath it and their clinical/operative significance. This involves drawing surface anatomy structures on another delegate that you will be paired-up with. Within your pairs, you will have the opportunity to practice drawing on each other. Body surfaces that you will be practicing on include the face, neck, chest, abdomen, arms and legs (chest will be used only in male participants). We will provide washable marker pens to be used on the skin. Appropriate wipes will also be provided to remove the ink. If you are allergic to any sort of marker pen/ink on your skin, kindly inform us beforehand.

Sample Illustrations: Please see attached PDF document.

Dress code:

You must bring with you appropriate clothing (shorts and vest/vest top/crop top/short sleeve/singlet) +/- wear old clothing/bring a spare set of clothes. In order to maximize this learning opportunity fairly, all delegates will be expected to take turns at being the model in their pair.

What to prepare: If you have the time, we advise you to read a bit of clinical anatomy. If you brush up your anatomy before the event, you will find the event even more beneficial.

Course material: There is no formal course material. Kindly bring with you a notebook (A5 sized jotter pad) and a pen to note points of interest. Any relevant educational material will be mailed to you after the event.

Refreshments: Will be provided during the morning and afternoon breaks. Lunch is not provided nor is included in the course fee. Kindly make your own arrangements for lunch.

What you need to bring with you:

- (i) A copy of the email you have received from us regarding your confirmation of place. You will not be to attend the event without this information.
- (ii) Your University/Hospital identification badge
- (iii) Note book and pen
- (iv) Suitable clothing and spare clothes

If you are attending the Certified Anatomy Training Event (Training the Clinical Anatomy Trainer on 14th February, you will be provided with separate reporting information). If you haven't booked for that course and wish to attend it, please follow this link:

<http://doctorsacademy.org/Course/TrainingClinicalAnatomyTrainerLondon/Home.htm>

We look forward to seeing you at the event. Please do not hesitate to contact us if you have a query in the interim.

With very best wishes,

Surgical and Clinical Anatomists
