- I) CLINICAL ANATOMY AND OPERATIVE PROCEDURES AS APPLIED TO THE THORAX AND ABDOMEN**
- II) CLINICAL ANATOMY AND OPERATIVE PROCEDURES AS APPLIED TO HEAD, NECK AND LIMBS**

19th November 2016 (Saturday)

Manor Learning and Conference Centre (MLCC), Walsall Manor Hospital

Dated: 7th November 2016

THIS MAIL CONTAINS IMPORTANT INFORMATION – PLEASE READ IN ITS ENTIRETY.

Dear Colleague,

Thank you for registering to attend this event.

Kindly note that your registration is valid only for the event you registered. Please check the confirmation mail you have received from us.

Morning: Clinical Anatomy and Operative Procedures As Applied To Thorax and Abdomen

Afternoon: Clinical Anatomy and Operative Procedures as Applied to Head, Neck and Limbs

Date:

19th November 2016 (Saturday)

Venue:

Manor Learning and Conference Centre (MLCC), Walsall Manor Hospital

Where to report:

Please enter the hospital via the Main Entrance. On entering the main atrium/foyer, proceed straight ahead past the information desk and take one of the two lifts (situated next to the escalators) to the third floor, up to the MLCC. From here follow the signs to the registration point for the event.

Address, Directions and Parking

Address:

Manor Learning and Conference Centre (MLCC)
Walsall Manor Hospital
Moat Road
Walsall
WS2 9PS

Directions:

- For general directions to reach Walsall Manor Hospital, please click the following link:
<https://www.walsallhealthcare.nhs.uk/walsall-manor-hospital.aspx>
- To view in Google map:
<https://goo.gl/maps/FFMVXvEwAwR2>
- The hospital is situated a short (10 min.) walk from Walsall Railway Station
- For those travelling by car, leave the M6 motorway at J10 (if travelling from the north/Wolverhampton direction) or J9 (if travelling from the south/Birmingham/M5 direction).

Parking:

Free parking is kindly being provided by the Trust. On arrival please park in car park B, which is situated directly opposite the hospital building (see here: <https://goo.gl/Cggyzc> – you will need to take a ticket from the barrier). On exit, please use the intercom facility at the barrier and tell the operator you have been in attendance at the Doctors Academy course.

Sat Nav Post code: **WS2 9PS**

Start times:

Morning (0900 – 1300): Clinical Anatomy and Operative Procedures as Applied to the Thorax and Abdomen. Registration will start at 0900 hours.

Afternoon (1400 – 1745): Clinical Anatomy and Operative Procedures as Applied to the Head, Neck and Limbs. Registration will start at 1345 hours.

Programme:

Clinical Anatomy and Operative Procedures as Applied to the Thorax and Abdomen:
<http://doctorsacademy.org/Course/ClinicalAnatomyTAEDB/downloads/PGMNov16.pdf>

Clinical Anatomy and Operative Procedures as Applied to the Head, Neck and Limbs:
<http://doctorsacademy.org/Course/ClinicalAnatomyHNLEDB/downloads/PGMNov16.pdf>

The Structure of the Sessions:

The workshops will use artwork in identifying important surface anatomy landmarks, the structures that lie beneath it, and their clinical/operative significance. This involves drawing surface anatomy structures on another delegate with whom you will be paired. Within your pairs, you will have the opportunity to practice drawing on each other. Body surfaces that you will be practicing on include the face, neck, chest, abdomen, arms and legs (chest will be used only in male participants). We will provide washable marker pens to be used on the skin. Appropriate wipes will also be provided to remove the ink. If you are allergic to any sort of marker pen or ink on your skin, kindly inform us beforehand.

Sample Illustrations:

Please see the attached PDF document.

Dress Code:

You must bring with you appropriate clothing (shorts and vest/vest top/crop top/short sleeve/singlet) +/- wear old clothing/bring a spare set of clothes. In order to maximize this learning opportunity fairly, all delegates will be expected to take turns at being the model in their pair.

What to prepare: If you have the time, we advise you to read about clinical anatomy. If you are able to brush up on your anatomy prior to the event, you will find the day even more beneficial.

Course material: There is no formal course material. Kindly bring with you a notebook (A5 sized jotter pad) and a pen to note pertinent points. Any relevant educational material will be mailed to you following the event.

Refreshments: Refreshments will be provided during the morning and afternoon breaks.

What you need to bring with you:

- (i) A copy of the email you have received from us regarding your confirmation of place. Kindly note that you will not be to attend the event without this information.
- (ii) Your University/Hospital identification badge
- (iii) Notebook and pen
- (iv) Suitable clothing and spare clothes

If you are attending the Certified Anatomy Training Event (Training the Clinical Anatomy Trainer) on 20th November 2016, you will be provided with separate reporting information for that event.

We look forward to seeing you at the event. In the interim, please do not hesitate to contact us if you have any queries.

Best wishes,

Surgical and Clinical Anatomists
