<http://www.nhsggc.org.uk/patients-and-visitors/transport-travel-parking/parking/patient-visitor-parking/glasgow-royal-infirmary/>

**Reporting**

**Where to Report:**

When you arrive at the New Lister building, please use the lifts to access Level 2 of the building, registration will take place there.

**Start of Registration:** 8:45 a.m.

**Start of Conference:** 9:15 a.m.

**What you need to bring with you:**

- A copy of the email that confirms your place and your conference registration number

**Conference Format and Content**

The morning half of the conference will cover four talks delivered by renowned endocrinology and diabetes physicians, namely, Dr Andrew Gallagher, Dr Colin Perry, Dr Frances McManus and Dr Guftar Shaikh. Each talk will last for around 40 minutes and delegates will have the opportunity to ask questions.

The afternoon session will cover 3 workshop stations: Thyroid examination, Insulin Prescribing and DKA management. These sessions will be delivered in smaller groups and will be interactive.

Programmes will be added to our Facebook page soon, so make sure to like our page.

**Breaks**

There will be a 20-minute break during the morning session, during which tea and coffee will be provided.

After the morning session, there will be a one-hour lunch break, when lunch will be provided along with tea and coffee.

**Dress Code:**

There is no specific dress code for the conference, smart-casual dressing is recommended.

On arrival you will be given a delegate pack, which will contain your name badge. You will also be told the order of the workshops you will attend in the afternoon session.

We look forward to meeting you at the conference. Please feel free to contact us with any queries that you may have. You can email us at [gucendocrinology@gmail.com](mailto:gucendocrinology@gmail.com) or write to us via Facebook and we will get back to you as soon as possible.

Best wishes,

Glasgow University Clinical Endocrinology and Diabetes Society
