

# Undergraduate Symposium on Pre-hospital, Emergency and Extreme Medicine 2017 (PEMS)

Feedback - June 2017

The Unofficial Guide to Medicine

## Undergraduate Symposium on Pre-hospital, Emergency and Extreme Medicine 2017 (PEMS)

The Pre-hospital and Emergency Medicine for Students (PEMS) Society, Cardiff University were delighted to welcome medical students from across the UK to Cardiff University to the Undergraduate Symposium on Prehospital, Emergency and Extreme Medicine 2017.

This one-day conference included talks on unique aspects of pre-hospital and emergency medicine from International keynote speakers as well as practical workshops on a wide range of topics.

In addition there were both oral presentations and a poster presentation competitions.

## Individual Comments

The talks were fantastic. Really inspiring and enjoyable!

**AR**  
**Cardiff University**

Well organised, teaching was good. Workshops were interesting and outside the scope of the normal curriculum.

**LJ**  
**Cardiff University**

The day was very interesting. Might have been a tad be too long.

**MW**  
**Cardiff University**

An incredible conference.

**ZL**  
**Cardiff University**

Good and well pitched.

**RE**  
**Cardiff University**

Was all very interesting - shame couldn't see more of the workshops!

**GE**  
**Cardiff University**

Very good for people condisering emergency medicine as a career.

**YY**  
**Cardiff University**

Thoroughly enjoyed the whole day. The talks were very interesting and the speakers were friendly and open to talking to us which was great!! As I am only in first year it was great to attend but the teaching sessions (especially paediatric emergencies) would have been more useful for older years but they still involved me and it was a good experience.

**AL**  
**Cardiff University**

Very well organised and very interesting, a great day!

**HS**  
**Cardiff University**

## Individual Comments

Really good. The workshops were excellent.

**RJ**  
**Cardiff University**

Very good experience that gives younger years a chance to experience a conference at a more friendly level.

**LA**  
**Cardiff University**

It was a very engaging conference.

**NA**  
**Cardiff University**

Good - A mixture of external teachers (Drs) and med students would be better than just medical students for teaching the workshops.

**HA**  
**Cardiff University**

Great speakers with interesting content.

**NB**  
**Cardiff University**

Really good day, thank you.

**GJ**  
**Cardiff University**

Great!

**TF**  
**Cardiff University**

Well organised and everyone seemed very happy to be there.

**IM**  
**Cardiff University**

Well organised, Relevant to my studies.

**LP**  
**Cardiff University**

## Individual Comments

Organisation fantastic teaching talks really interesting good that not too many oral presentations (6 was a good amount) Very relevant to studies workshops really good and a variety of options inspiring to make me want to do Emergency Medicine.

**EV**  
**Cardiff University**

I think the day was run very well and gave me some great extra insight into the world of emergency medicine.

**RV**  
**Cardiff University**

Great conference- very interesting speakers.

**AU**  
**Cardiff University**

Really well organised.

**EM**  
**Cardiff University**

Fantastic day. All speakers were interesting and talks informative.

**ND**  
**Cardiff University**

Enjoyable and well organised day.

**AR**  
**Cardiff University**

very good, very well organised.

**AK**  
**Cardiff University**

Was very impressed with the interesting and varied keynote speakers.

**HC**  
**Cardiff University**

Very well organised, most teaching was ok. there was a wide variety of talks,

**SJ**  
**Cardiff University**

## Individual Comments

Very well organised. Successful and educational day.

**MC**  
**Cardiff University**

Very good.

**KP**  
**Cardiff University**

All really well put together, with a great selection of speakers - Dr. Tim Mansfield was really great both in his talk and in his workshop!

**LE**  
**Cardiff University**

The talks were really interesting and engaging. The workshops were useful. Overall it was very relevant.

**AK**  
**Cardiff University**

Good. They worked very hard and it paid off.

**JL**  
**Cardiff University**

Brilliant event - very useful!

**SE**  
**Cardiff University**

The conference was very enjoyable. I think the speakers were all fantastic.

**CF**  
**Cardiff University**

Fantastic day; will definitely be returning to future events.

**MT**  
**Cardiff University**

# DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events/ competitions.

## Courses (a selection):

### Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

### Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

## Forthcoming key events:

- **International Medical Summer School**  
*Manchester, 31<sup>st</sup> July to 4<sup>th</sup> August 2017*
- **International Academic and Research Conference**  
*Manchester, 5<sup>th</sup> August 2017*
- **World University Anatomy Challenge**  
*Manchester, 4<sup>th</sup> August 2017*

## Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
