**The Structure of the Sessions:**

The workshops will use artwork in identifying important surface anatomy landmarks, the structures that lie beneath it, and their clinical/operative significance. This involves drawing surface anatomy structures on another delegate with whom you will be paired. Within your pairs, you will have the opportunity to practice drawing on each other. Body surfaces that you will be practicing on include the face, neck, chest, abdomen, arms and legs (chest will be used only in male participants). We will provide washable marker pens to be used on the skin. Appropriate wipes will also be provided to remove the ink. If you are allergic to any sort of marker pen or ink on your skin, kindly inform us beforehand.

**Sample Illustrations:** Please follow this link to view the document:

**Dress Code:**

Please note that the course will involve having surface anatomy structures drawn on your skin. You should therefore bring suitable clothing (e.g. shorts and a vest top). There is a place to change inside the venue.

**What to Prepare:**

If you have the time, we advise you to read about clinical anatomy. If you are able to brush up on your anatomy prior to the event, you will find the day even more beneficial.

**Course Material:**

There is no formal course material. Kindly bring with you a notebook (A5 sized jotter pad) and a pen to note pertinent points. Any relevant educational material will be mailed to you following the event.

**Refreshments:**

Tea, coffee and biscuits will be provided during the morning and afternoon breaks. There are plenty of places near the venue for you to buy lunch. There is a Marks and Spencer and a Starbucks in the hospital grounds, as well as a Greggs, Costa and other places located on Oxford Road. Alternatively, you may consider bringing your own lunch.

**What you need to bring with you:**

- (i) A copy of the email you have received from us regarding your confirmation of place. Kindly note that you will not be able to attend the event without this information.
- (ii) Your University/Hospital identification badge
- (iii) Notebook and pen
- (iv) Suitable clothing and spare clothes

We look forward to seeing you at the event. In the interim, please do not hesitate to contact us if you have any queries.

With very best wishes,
