Cardiff MRCS OSCE Course (DUBAI): Clinical Examination and Communication Skills

This intensive one-day revision course covered the clinical examination and communication skills components tested in the MRCS Part B exam. The course aimed to consolidate the trainee's understanding of the clinical consultation skills component of the exam, and aided the trainee's ability to perform clinical examinations efficiently and present the findings to the examiner in a systematic, yet concise, manner.

The forenoon session covered all important clinical examinations that are tested in the exam. The afternoon session was dedicated to structured interviews, communication skills workstations, and information giving, information gathering and breaking bad news. A number of patient-centred clinical scenarios were used to reflect the situations experienced in everyday practice. These scenarios were also in line with what is commonly tested in the exam.

There was the opportunity for every participant to participate in performing clinical examinations and to engage in role-play scenarios.

Course Information

Course Date:	2nd August 2019
Venue:	Grand Excelsior Hotel (Mankhool Road) Bur Dubai, Dubai, United Arab Emirates
Attendance:	3 Delegates

Overall Course Feedback

How were the facilities and venue?

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

How were the refreshments and lunch?

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

How was the general friendliness of the faculty and organisers?

■ Very friendly ■ Friendly ■ Neutral
■ Not very friendly ■ Can't comment

Would you recommend this course to a friend?

■ Most certainly ■ Certainly ■ Probably ■ May consider ■ Not at all

Do you think that this course provided good value for money?

■ Most certainly ■ Certainly ■ Probably ■ Unlikely ■ Not at all

Individual Comments

It was a very comprehensive and interesting course.

MB
Bahrain Defence Force Hospital, Riffa, Bahrain

It was great.

WO
Sage Surgical Clinics and Centric Air Ambulance

It helped me to clarify a lot of ambiguities regarding communication skills and clinical examination.

HY
University Hospital Sharjah, Sharjah, United Arab Emirates

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events / competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- International Medical Summer School
- International Academic and Research Conference
- World University Anatomy Challenge

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
