### Notes

Group A candidates 1-8

Group B candidates 9-16

Each clinical / viva is split into (x6) 4 ½ minute blocks giving a total of 26 minutes with 4 to 9 minutes of feedback.

If candidates can not make their start time to read the papers we can email the day before but we would discourage this. One hour and 15 minutes have been set aside for lunch but this can be shortened to cover unforeseen circumstances.
