ABOUT THE EVENT

Brief description: The day will start with a theory based assessment of basic clinical anatomy. There will be 30 questions in PPT format. This score will not be used in the final evaluation. In addition to covering the essential anatomical aspects and principles in the assessment of trauma victims and common operative procedures, there will be interactive sessions on wound healing, local anaesthesia and sutures. The day will end with a formal assessment that will be carried out using PPT based spotters, clinical scenarios and a short viva exam. You will be assessed only on the areas that were taught during the course.

How the session will be structured:

This will use a combination of lectures, interactive discussions and surface anatomy demonstration. Volunteers will be used for surface anatomy demonstration.

Dress code:

Casual clothing / T-shirt / Trouser / Shorts

What to prepare:

If you brush up your anatomy before the event, you will find the event even more beneficial.

You would have already received information on how access the course manual. Please follow this link and enter your course registration number:

http://www.courses.doctorsacademy.org.uk/Number_Validation.aspx

Notebook/pen:

Kindly bring with you a notebook (A5 sized jotter pad) and a pen to note points of interest.

What you need to bring with you:

- I. A copy of the confirmation mail you received from us with your name. This name should match with your identification badge. Please be informed that you will not be allowed to attend the course without a copy of the confirmation mail. A print out is required rather than having it on your smart phone or iPad.
- II. Your University/Hospital identification badge
- III. Note book and pen

We look forward to seeing you at the event. Please do not hesitate to contact us if you have a query in the interim.

Best wishes,

Surgical Anatomists
