One of the best course I have ever attended!

Dr. Diptarup Mukhopahay
Princess of Wales Hospital, Bridgend

This was best course I ever attended which was very practical and relevant.

Dr. V.Vipulendran
Withybush General Hospital, Haverfordwest

Superb course, great teaching and very enthusiastic speakers. I would highly recommend it and would also attend again. Great weekend overall.

Dr. Gurjit Chohan
Royal United Hospital, Bath

Excellent course overall. Great tutoring by Ms Clare Carpenter - very enthusiastic.

Dr. Mohammad Imanul Hai
Musgrove Park Hospital, Taunton

Best course I have ever been on. Brilliant supportive teaching. Will support and improve my clinical assessment and reasoning.

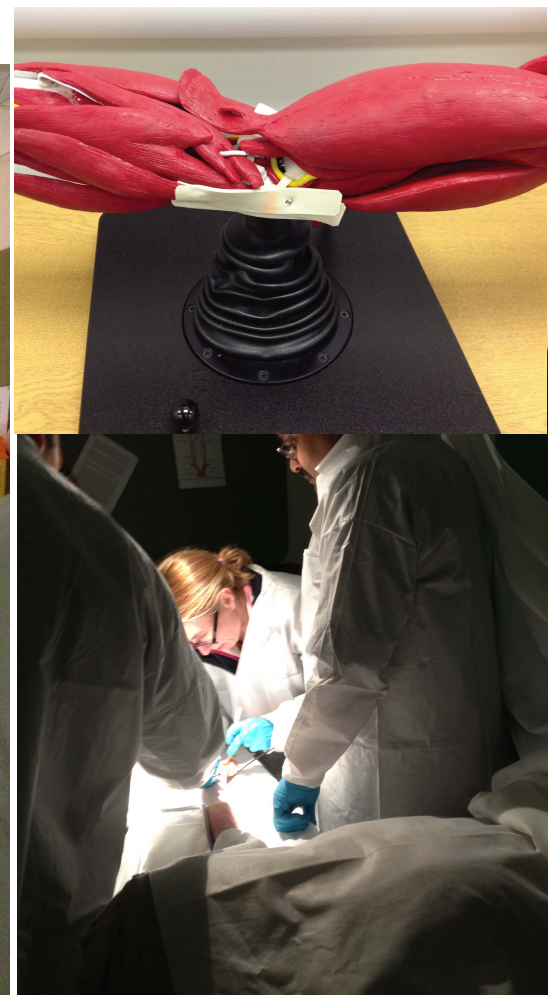

Dr. Janet Rose
Hereford County Hospital, Hereford

Excellent teaching. The faculty were very knowledgeable and approachable.

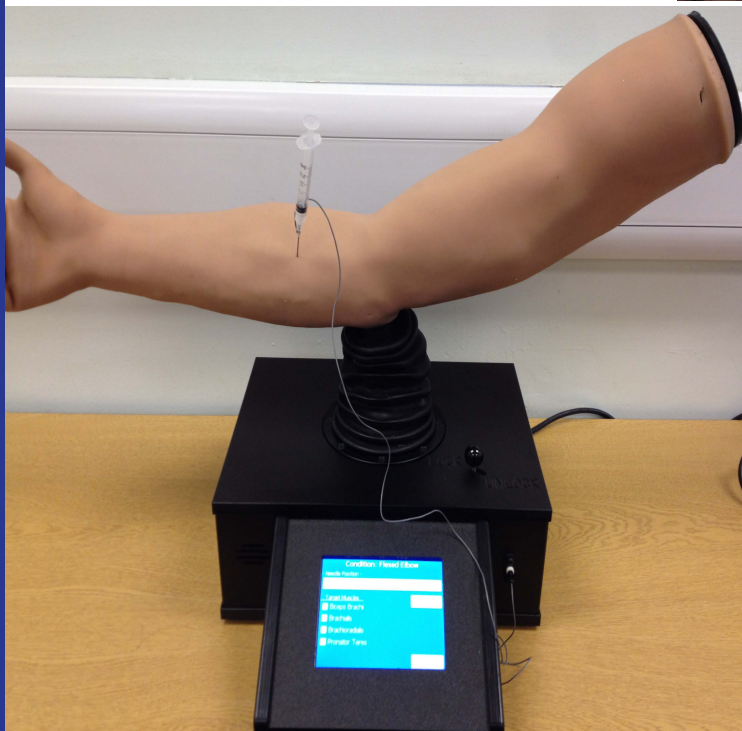

Dr. Helen Wilkinson
Musgrove Park Hospital, Taunton

Excellent course; very practical to enable to improve injection technique in spasticity clinic. Hoping to access a ultrasound machine in the near future.
