## 4<sup>th</sup> BIDA Oncology Conference

This one day conference was aimed at providing general practitioners and practicing hospital clinicians with an educational update on current trends in adult solid cancers. The wide spectrum of topics covered provided the attendee with a sound understanding of the advances in the management of common adult cancers pertinent to their practice. There was also a session for oral and poster presentations for medical students and junior clinicians.

### Summary of programme:

- o Lung Cancer: Can it be cured
- o Challenges of Cancer Diagnosis in General Practice
- o Advances in the Management of Oesophago-Gastric Cancers
- o Early diagnosis in Colorectal cancer
- o PSA and Prostate cancer
- o Update in Skin Cancer
- o Management of Haematological Conditions, a GP perspective
- o Advances in Chemotherapy and their relevance to GPs
- o Update in Liver and Pancreatic Cancer
- o Oral Presentations by Trainees
- o Detecting early GI Cancers: Is more Endoscopy the Answer
- o Breast Cancer: Early Diagnosis, Management and Recent Developments
- o Palliative Care in Cancer Management
- o Update in Gynae-oncology

# Overall Teaching Feedback

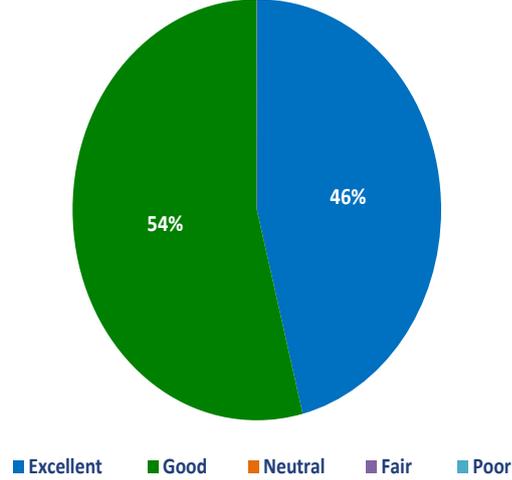

How was the content of the conference?

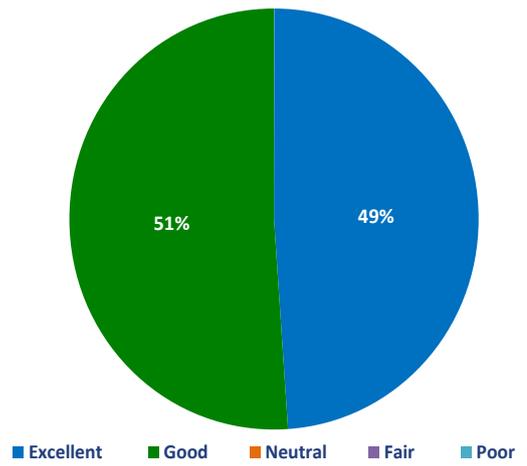

How would you rate the general academic standard of the speakers?

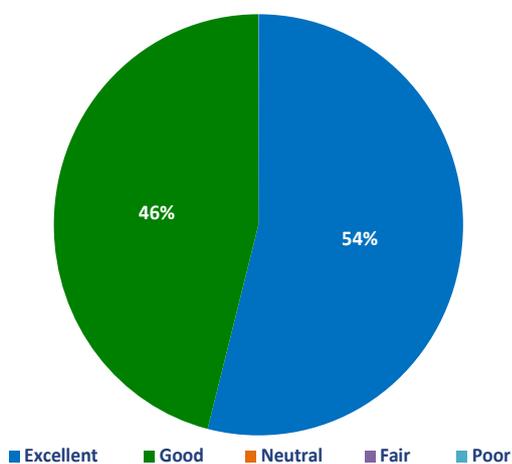

Lung Cancer: Can it be Cured? - Mr Rajesh Shah

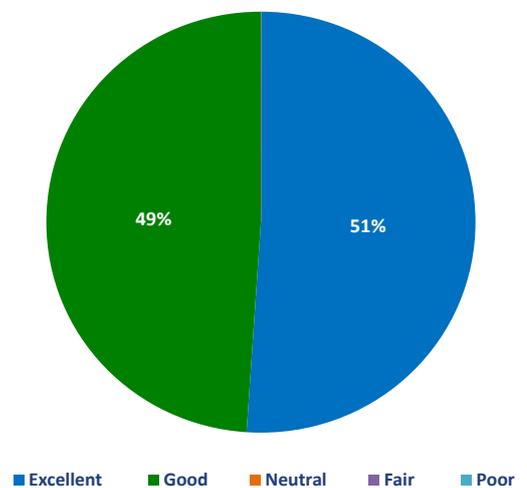

Greater Manchester Cancer - The benefits of an integrated cancer system-Mr David Shackley

Advances in the Management of Oesophago-Gastric Cancers - Professor Siba Senapati

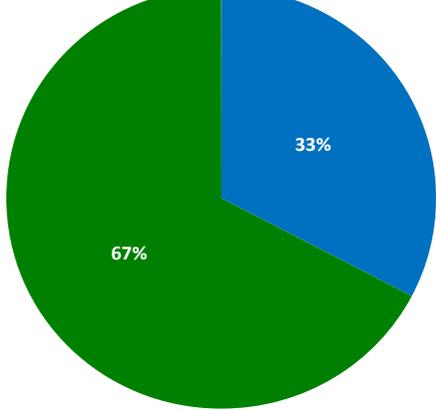

PSA and Prostate cancer - Mr Vijay Ramani

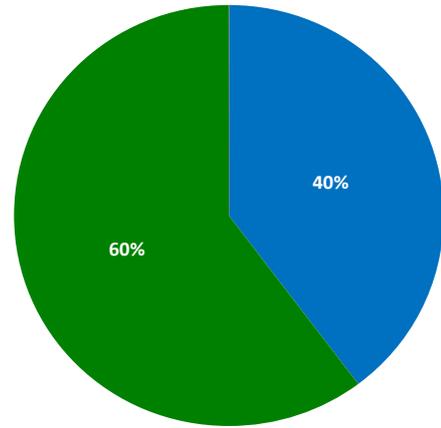

# Overall Teaching Feedback

Role of BME Advisory Committee and to touch upon GMC after Dr Bawa Garba - Ms Anna Rowland

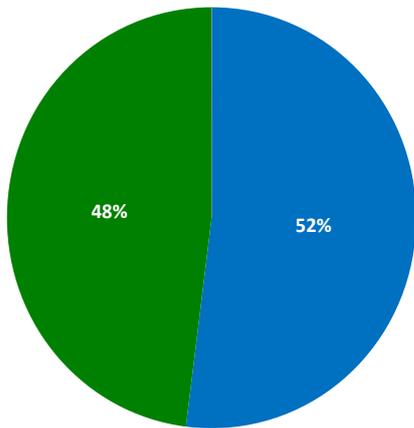

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

Dealing with Complaints – Ombudsman Role - Professor Robert Behrens

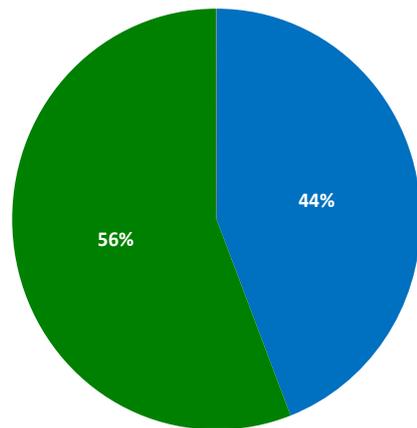

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

Early Diagnosis in Colorectal Cancer - Mr CR Selvasekar

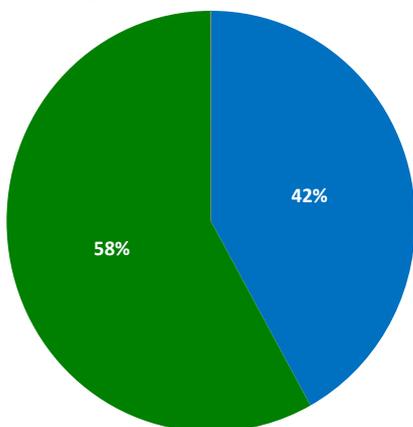

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

Management of Haemato-oncological Conditions, a GP perspective - Dr Samar Kulkarni

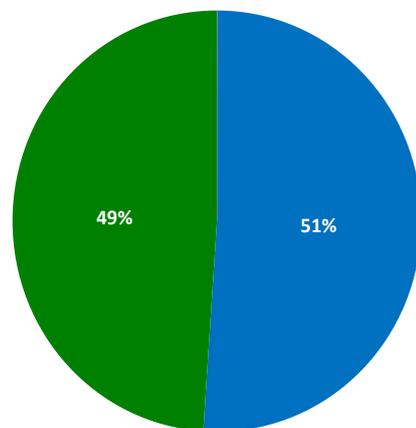

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

Caring for Breast Cancer in Primary Care - What you should know in the era of early discharges? - Mr Sankaran Narayanan

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

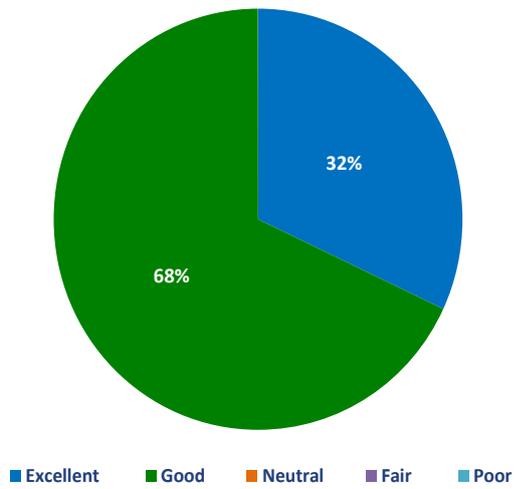

How were the facilities and venue?

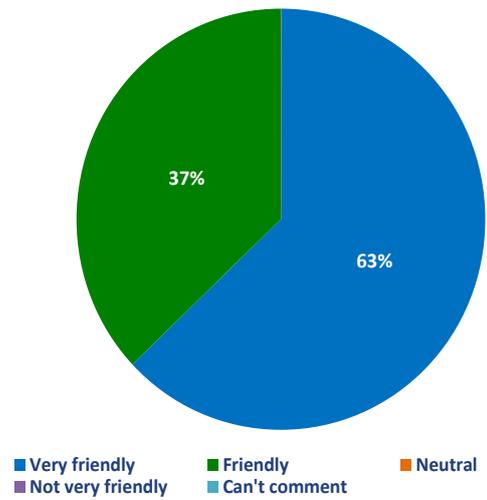

■ Excellent ■ Good ■ Neutral ■ Fair ■ Poor

# Overall Teaching Feedback

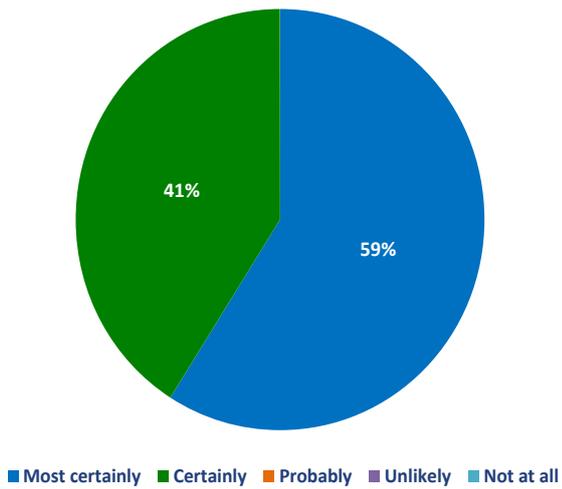

How were the refreshments and lunch?

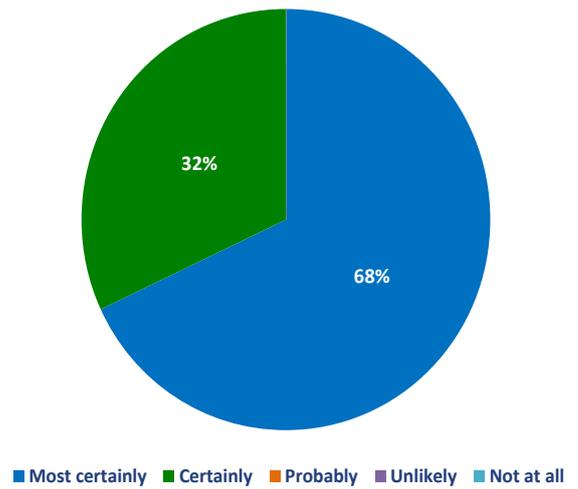

How was the general friendliness of the faculty and organisers?

Would you recommend this conference to a friend?

Do you think that this conference provided good value for money?

## Individual Comments

Interesting meeting will definitely attend again.

**JJ**  
*Glan Clwyd District General Hospital, Rhyl*

Good and precise.

**SN**  
*Royal Liverpool University Hospital, Liverpool*

Very good meeting.

**TA**

Useful especially for those considering general practice.

**LP**

Well conducted with good topics.

**RA**

Good and relevant.

**BR**

Very pleased. High standard of academic presentations.

**UP**

Very good conference.

**SA**

Excellent meeting Kindly send the certificate for me Dr B N Kulkarni and Dr Sunita Kulkarni Thanks.

**BK**

Excellent and very informative. Very good organization.

**SS**

Broad based cover.

**DC**

Very good.

**OE**

## Individual Comments

Good.

CS

A good conference overall. GMC and Ombudsman topics were an added bonus. Colorectal and Upper GI cancer were good.

RS

Good conference.

MJ

Fantastic speakers and very well directed towards primary care.

SP

Glad I attended Excellent speakers and presentation of current issues.

NP

Good.

UP

Very good organisation.

NS

Good.

CS

Oral presentations were very interesting.

EM

Good.

SS

Very useful and relevant, Thanks for a great day.

VG

Worth attending.

VS

## Individual Comments

Excellent conference. Great organisation and all talks were of high clinical value.

**AM**

Very good. Love to attend next one.

**DP**

Very relevant to all disciplines.

**MU**

Would like to attend in future such meeting.

**MP**

As usual, this was a very good academic experience, will clear carry home messages and good useful Q&A sessions.

**RM**

Well organised with as usual excellent speakers. Very relevant to my practice as a GP as early diagnosis and cure of common cancers in the community is the ultimate goal.

**HS**

Good.

**AK**

Good.

**CK**

Very high standards set.

**SG**

# DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events/ competitions.

## Courses (a selection):

### Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures

## Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
