# FEEDBACK

# British International Doctors Association (BIDA) Annual Conference

19<sup>th</sup> October (Saturday) 2013  
Education Centre, The Christie Hospital, Manchester

## Summary:

This one day conference was attended by 100+ hospital doctors, general practitioners and medical students. The day comprised of a number of stimulating discussions and interactive lectures. The Royal College of Surgeons of Edinburgh awarded 5.5 CPD points to the delegates who attended the event. The day was successful and the delegates found it beneficial, as reflected in the feedback in the subsequent pages of this document.

## Aims and objectives:

The main aims and objectives of the conference were as follows:

1. To provide an educational update on current trends on adult solid cancers
2. To update on the current issues of interest and significance in the NHS, and
3. To address the trainee/training issues of international doctors

## Summary of programme:

- o Lung cancer: Can it be cured?
- o Advances in Upper GI surgery
- o Advances in Lower GI surgery
- o Liver and Pancreatic lumps
- o Prostate Cancer and PSA
- o Advances in Plastic surgery
- o Advances in Breast surgery
- o Advances in Gynaecological Oncology
- o Advances in Pain Management
- o Advances in radiotherapy and relevance to GP
- o Advances in chemotherapy and relevance to GP's
- o Revalidation where are we today?
- o Trainees perspectives
- o Palliation in Heart disease
- o Commissioning & providers in health care-NHS England

Good

**Dr. Verena Chu**  
Royal Preston Hospital, Preston

Very impressive. Very Professional. All latest info covered.

**Dr. Swapan K Kole**  
Danshell Health Care, Darlington

Very useful day - worth sacrificing one's Saturday !

**Dr. Vinod Kumar Saksena**

Overall , really enjoyed the time. It was very helpful. Although I came from a long distance but don't regret that. Thank you to everyone for this useful event.

**Dr. Ali**  
University Hospital of North Tees, Stockton-on-Tees

Very good and well organized

**Dr. Sarah Al-Ani**  
University Hospital of North Staffordshire, Stoke on Trent

Well organised, good choice of topics, good general overview on cancer management

**Dr. Shun hund the**

The information provided was very valuable.

**Dr. Arumugam Umapathy**

Talks were all very well presented and organised.

**Dr .Anis Loonat**

Excellent overall cover of oncology

**Dr. Deep Chand**  
Trafford General Hospital, Manchester

Excellent all around. Got all relevant information from GP point of view in one day and in one venue. I wish such meetings are done again,like an update. All presentations were good.

**Dr. Prabhavathi Rajan**

Excellent overview

**Dr. V Ramani**

Overall informative and well conducted programme. Certainly would recommend.

**Dr. Abdus Samee**

I am very pleased with the work and dedications of organisation. The event was very succesful.

**Dr. M .M. Sharma**

## COMMENTS

---

Overall the conference was very informative and good.

**Dr. Shanthi Natarajan**

Thanks for the efforts taken to arrange this. I thoroughly enjoyed it. One point to note that there were too many presentations.

**Dr. Vinod Gadiyar**

Excellent organisation, relevant and good presentations. Well done.

**Dr. Akhilesh Sharma**

Very well organised conference and content was excellent.

**Dr.S.Sarker**

Excellent organisation and speakers

**Dr. Siba Senapati**

Overall the conference was very useful. Thank you.

**Dr. Don Bosco Cynthia**

It was one of the best meetings I have attended.

**Dr. Vidyanand Prasad**
