III. ADDRESS AND DIRECTIONS

Address:
Glenister Lecture Theatre
Imperial College Charing Cross Campus
Margravine Road
Hammersmith
London
W6 8RP

Directions:

Glenister Lecture Theatre (not pictured on the campus map below) is located across the road from Reynolds Building, beside the Margravine Cemetery.

Tube:

The nearest tube stations are **Barons Court** (Piccadilly and District lines) and **Hammersmith** (Piccadilly, District, and Hammersmith & City lines).

Bus:

Bus routes that run close to the campus include routes **190 to West Brompton**, **211 to Waterloo**, **220 to Wandsworth** and **295 to Clapham Junction**. All buses will stop at either **Stop HT** or **HA**. The venue is a 5-minute walk from here.

For more details of tube and bus travel in London, please visit the Transport for London website:
<https://tfl.gov.uk>

Car:

Parking is available on site, near the main hospital entrance along Fulham Palace Road. Parking is also available near Reynolds Building, along Margravine Road.

IV. PROGRAMME

Clinical Anatomy and Operative Procedures as Applied to the Thorax and Abdomen:

Clinical Anatomy and Operative Procedures as Applied to the Head, Neck and Limbs:
<https://doctorsacademy.org/coursenw/cahnl/PGMD18.pdf>

The Structure of the Sessions:

The workshops will use artwork in order to identify important surface anatomy landmarks, the structures that lie beneath, and their clinical/operative significance. This involves drawing surface anatomy structures on another delegate with whom you will be paired. Within your pairs, you will have the opportunity to practice drawing on each other. Body surfaces that you will be practicing on include the face, neck, chest, abdomen, arms and legs (chest will be used only in male participants). We will provide washable marker pens to be used on the skin. Appropriate wipes will also be provided to remove the ink. If you are allergic to any sort of marker pen or ink on your skin, kindly inform us beforehand.

Sample Illustrations: Please see the attached PDF document.

V. DRESS CODE

Please note that the course will involve having surface anatomy structures drawn on your skin. You should therefore bring suitable clothing (e.g. shorts and a vest top). There is a place to change inside the venue.

VI. WHAT TO PREPARE

If you have the time, we advise you to read about clinical anatomy. If you are able to brush up on your anatomy prior to the event, you will find the day even more beneficial.

There is no formal course material. Kindly bring with you a notebook (A5 sized jotter pad) and a pen to note pertinent points. Any relevant educational material will be provided to you in electronic format following the event.

VII. REFRESHMENTS

Tea, coffee and biscuits will be provided during the morning and afternoon breaks. There are plenty of places near the venue for you to buy lunch. Alternatively, you may consider bringing your own lunch.

What you need to bring with you:

- (i) A copy of the email you have received from us regarding your confirmation of place. Kindly note that you will not be able to attend the event without this information.
- (ii) Your University/Hospital identification badge
- (iii) Notebook and pen
- (iv) Suitable clothing and spare clothes

Please do not hesitate to contact us at info@doctorsacademy.org.uk if you have any further queries. Alternatively, you can contact us at 02920 616 765.

If you have any issues on the day of the course or are unable to find the venue, please contact Miss Nicole James on **+44 (0) 7599 465877**.

We look forward to meeting you.

With very best wishes,

Surgical and Clinical Anatomists
