Communication Skills**

Feedback - September 2016

Cardiff MRCS OSCE: Clinical Examination & Communication Skills

This intensive one-day revision course covered the clinical examination and communication components of the MRCS Part B exam, placing special emphasis on clinical consultation skills.

The course aimed to consolidate the delegates' understanding of the clinical consultation skills component of the exam. It also intended to aid the delegates' ability to perform clinical examinations efficiently by encouraging them to present their findings to the examiner in a systematic yet concise manner.

The morning session covered all of the important clinical examinations which are tested in the exam while the afternoon session was dedicated to communication skills workstations, structured interviews, and practical skills. Six patient-centred clinical scenarios were used to reflect the situations experienced in everyday practice. These scenarios are in line with what is commonly tested in the MRCS exam. A total of 33 candidates attended the course and their feedback has been collated in this document.

Course Information

Course date:	4th September 2016
Venue:	Out-patient Department University Hospital of Wales Cardiff, UK
Attendance:	33 Delegates
Aimed at:	Delegates looking to take their membership to the Royal College of Surgeons Part B exam.
Course fee:	£195.00

Surgical trainees can apply to be sponsored by ASiT to receive a bursary to attend this course.

Course Programme

0840 - 0850	Registration
0850 - 0905	Introduction to course and grouping of candidates
0910 - 1300	(with refreshment break from 1100 – 1120)

Clinical Examination Sessions

Candidates were divided into small groups and taken through the following clinical examinations on simulated patients:

How was the general friendliness of the faculty and organisers?

■ Very friendly ■ Friendly ■ Neutral
■ Not very friendly ■ Can't comment

Individual Comments

Excellent course with a good faculty and teaching in very clear simple words.

MA
Queen Elizabeth Medical Centre, Birmingham

Useful for practicing exams not commonly done if not on that particular surgical rotation.

RS
Kettering General Hospital, Kettering

Good.

VC
Northern General Hospital, Sheffield

Very good.

SB
Cavan General Hospital, Ireland

Really useful course. Well organised.

GM
Princess Alexandra Hospital, Harlow

Content was good.

AW
University Hospital Waterford, Waterford, Ireland

Very good.

VS
St Helier Hospital, Carshalton

Good revision before exam.

SN
Leicester Royal Infirmary, Leicester

Very Useful.

MA
Stepping Hill Hospital, Stockport

Individual Comments

Very good.

HA
Addenbrooke's Hospital, Cambridge

Good.

TA
Kettering General Hospital, Kettering

Good.

SG
University College Hospital Galway, Galway, Ireland

Very good course.

MU
Royal London Hospital, London

Excellent.

AA
Birmingham Heartlands Hospital, Birmingham

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events/ competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- **International Medical Summer School**
Manchester, 31st July to 4th August 2017
- **International Academic and Research Conference**
Manchester, 5th August 2017
- **World University Anatomy Challenge**
Manchester, 4th August 2017

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
