

East of England Cardiology & Cardiothoracic Surgery Undergraduate Conference 2019

Feedback - January 2019

East of England Cardiology & Cardiothoracic Surgery Undergraduate Conference 2019

The University of East Anglia's Cardiology Society presented their first East of England Undergraduate Cardiology & Cardiothoracic Surgery Conference. The conference took place on Saturday 12th January 2019 in the Thomas Paine Study Centre on the UEA campus. This event intended to cultivate interest in the specialty and the training pathway, as well as promote current research in cardiology from the East Anglia region and further afield.

Overall Feedback

How were the refreshments and lunch?

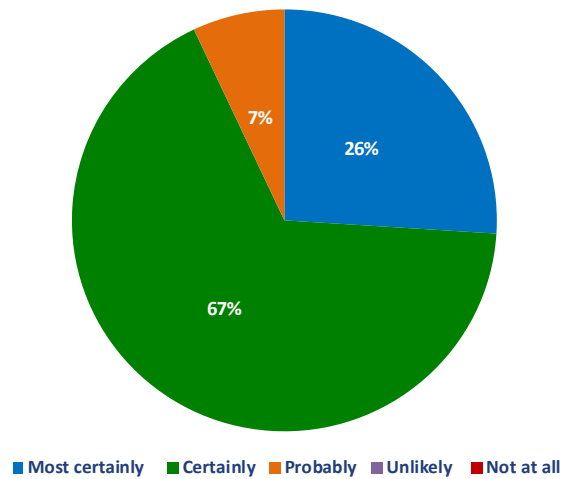

How was the general friendliness of the faculty and organisers?

Would you recommend this conference to a friend?

Do you think that this conference provided good value for money?

Individual Comments

I enjoyed myself and was very grateful for UEA to host students from ARU.

ZM
Anglia Ruskin School of Medicine

It was very good.

IA
Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Overall an enjoyable and educational conference.

MK
Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Worthwhile, well organised and thoroughly enjoyable.

RM
UEA

Quality teaching and very professional.

GS
Anglia Ruskin

Very good, very interesting and learnt quite a lot.

CS
Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Very good organisation and teaching with material to the standard relevant to my studies and easy to follow.

NC
Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Was very relevant to studies as currently studying cardiology - gave a very good insight into cardiology as a career - overall was good.

EG
East Anglia

Took a lot away from it.

OO
Anglia Ruskin School of Medicine

Individual Comments

Very well organised, really engaging lectures and workshops.

MR

Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Was very good, starting cardiovascular block now, so skills learned have been very useful in learning.

BO

Anglia Ruskin School of Medicine

I gained a lot from it and received practical and even hands on insight into life in cardiology.

DA

Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Well organised with fun and informative workshops - great value for money!

CS

Norwich Medical School, University of East Anglia, Norwich, United Kingdom

Very informative.

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events/ competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- International Medical Summer School
- International Academic and Research Conference
- World University Anatomy Challenge

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
