FRCS (General Surgery): Section I (SBA) Exam Preparation Course

This intensive course was aimed at delegates preparing for Section I (SBA) of the Intercollegiate FRCS Examination in General Surgery. The course was delivered by a group of experienced senior consultants who highlighted the key components and discussed high-yield topics from each sub-speciality within the JCST General Surgical curriculum. The course took into consideration the changes introduced to the exam from May 2021. The new exam will consist of 120 SBA questions in paper 1 and 120 SBA questions in paper 2. Each paper will be of 2 hours and 15 minutes in duration.

Learning Style:

- o Interactive discussions and active delegate participation
- o Focused teaching on high yield topics
- o Updates on current guidelines and advances in all sub-specialities
- o Solving sample SBA questions
- o Discussion on clinical images and pathology specimens
- o Practical tips and exam preparation guidance from senior trainees who have recently passed the FRCS Exam
