Hull York Medical School Student Research Conference 2018

There were a diverse range of workshops to choose from, on topics including VR and research, being an Academic GP, Research Ethics, PET imaging in research, and even teaching with mock neurosurgery. The day also featured a wide variety of student presentations and keynote speakers active in research.

The day was hosted in the prestigious state-of-the-art Allam Medical Building, University of Hull, and tickets were open to all medical, biomedical science and allied health students.

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.

Resources for:

- Medical Students
- Dental Students
- International Entrance Exams
- MRCS Exams
- General Surgery Exams
- Plastic Surgery Exams
- DOHNS Exams
