Course Format/Content:

Cardiff MRCS Course (Manchester): Surgical Anatomy for MRCS OSCE Course:

This intensive one-day revision course is intended to help surgical trainees prepare for the surgical anatomy and related pathology component component of the MRCS OSCE exam. This course will provide a pertinent yet comprehensive revision of core and applied knowledge in surgical anatomy as tested in the exam. The day will cover basic and functional anatomy, relevant pathology, osteology and surface anatomy. Aside from teaching, there will be mock and practice OSCE questions throughout the day.

- Interactive discussions using images and slides.
- Mock OSCE scenarios.

Edinburgh MRCS OSCE Preparation Course (Manchester):

- Small group and individual teaching/OSCE.
- You will have the opportunity to participate in one-on-one OSCE as in the exam.
- Slides of images and pathology specimens will be projected and you will be asked common exam questions.
- Emphasis will be laid on all participants to answer questions. Each participant will be given time to hone their discussion skills with an examiner and to present the findings confidently.

Breaks:

All courses will have a 20-minute refreshment break in the morning and afternoon, and a 45-minute lunch break. Coffee, tea and biscuits, as well as lunch, will be provided as appropriate.

Dress Code:

Cardiff MRCS Course (Manchester): Surgical Anatomy for MRCS OSCE Course: The dress code for this course is professional/semi-formal.

Edinburgh MRCS OSCE Preparation Course: You will be examining patients and hence please dress appropriately. Professional attire/normal work clothes will suffice.
